MapsByAir – Subscriber Agreement

This Agreement acknowledges that _____, the “Subscriber”, requests to use the *MapsByAir* service from McElhanney Consulting Services Ltd. (McElhanney).

This is a non-transferable Agreement between McElhanney and the Subscriber. The aerial imagery produced by the *MapsByAir* service is for use by the Subscriber for their business operations. The Subscriber agrees to not make copies, distribute, or resell the imagery for commercial purposes, other than those directly associated with their business operations. Any printed copies of the imagery included in the Subscriber’s documents shall include the text “Copyright McElhanney Consulting Services Ltd.”

This Agreement will be in effect until either the Subscriber or McElhanney cancels the service. 15 days prior notice is required by the Subscriber to cancel their subscription. The Subscriber will be billed at the following rate:

- \$50 + \$2.50 GST + \$3.50 PST per one hour block of time.

Each time the Subscriber logs into the *MapsByAir* server is a one hour block of time. If the Subscriber runs over an hour in one session, the additional hour blocks are logged. An on-screen timer is provided on the *MapsByAir* browser so that the Subscriber knows the length of their session. If the Subscriber does not wish to be charged for additional blocks of time, the Subscriber must log out before the next hour starts. An invoice will be generated at the end of each month, listing the number of one hour blocks of time used by the Subscriber during that month.

McElhanney reserves the right to cancel this service at any time in the future, with 15 days prior notice given to the Subscriber. Upon termination of this Agreement, the Subscriber will destroy all printed and digital copies of the images received by the Subscriber.
